Traffic Management Policy

- Upon exceeding the monthly local data capacity, we may, without any prior notification to you, impose a speed limit of 1Mbps on the applicable Service(s). The speed limit will be lifted at 00:00 hours on your next renewal.
- To ensure fair customer experience for our subscribers through the efficient management of our network resources, all Mobile usage is subject to this Traffic Management Policy.
- Geenet reserves the right to amend or revise this Traffic Management Policy at any time, with updates published on the official website. By accessing and/or using our Mobile services (“Service(s)”), you agree to be bound by any such changes or revisions. Please check back regularly to stay informed of any changes or updates.

Fair Usage Policy For Unlimited Usage

“Unlimited” free incoming talk time is restricted to reasonable personal use and non-commercial purposes only. Any abuse will entitle Geenet to revoke the customer’s benefit at Geenet’s sole discretion. If you use 10,000 incoming call minutes per billing cycle, such a cycle will be deemed to be excessive or abusive usage, for which prevailing pay-per-use charges shall apply. Geenet reserves the right to amend the Fair Use Policy from time to time at its discretion, without any prior notice.

Fair Usage Policy Of SMS

- SMS Service is offered for your own personal use and is subject to our fair usage policy.
- SMS usage on Geenet Mobile is strictly prohibited for transmitting unsolicited advertising, telemarketing, bulk messages, or any activity that hinders the ability of users or systems to utilize our services. Any violation of these policies may result in service termination at our discretion.
- If a customer’s usage exceeds 150 SMS per day, such usage will be deemed to be excessive usage. Geenet Mobile reserves the right, without notice or limitation, to: –
 - suspend, restrict and/or terminate your access to certain features or your entire Services, Mobile Services, Mobile Services Plan and/or any part thereof, without any liability to you until the end of the affected day, period, or bill cycle.
- Fair Usage Limits are subject to change without prior notification based on network capacity and traffic management unless otherwise specified.

Overseas Incoming Call and SMS Barring

- Once activated, this feature will block incoming SMS and calls from foreign numbers. It helps you avoid unsolicited international calls and messages while in Singapore or when traveling abroad, reducing the risk of potential scams.
- You can activate these features through the Geenet App or during the new postpaid mobile line application process.
- This service allows you to make calls and send SMS while blocking only incoming ones from international numbers.
- This service is currently FREE of charge and can be activated or deactivated as needed.
- When you port in your existing mobile number to Geenet and enable overseas SMS and call barring, these features will only be applied once the port-in process is successfully completed.
- During the transition, Geenet will not be responsible for any disruptions or delays.
